National Resource Logistics is responsible for the movement of multimodal freight nationwide. We utilize our status as a core carrier for numerous shippers and our rapport with many small and mid-sized carriers to offer shippers additional truck capacity without the cost of maintaining the carrier relationship. We manage the third party carrier relationship enabling shippers to focus on their core competencies. We provide a variety of trucking to meet the needs of our expanding customer base and our staff is dedicated to making moving freight easier for our customers.

We offer a wide range in available equipment for our customers ranging from Vans and Flats to Double Drops and RGNs. If your company is looking for a truck we are your new #1 source for material handling. We also provide hassle-free low rate LTL shipments, feel free to call or e-mail for a rate quote. We keep our customers as involved as possible making sure they know that their shipment is in good hands.

The team here at National Resources Logistics hopes that you will find our services a valuable asset to your company and are excited to do business you. If you have any questions we are available Mon. through Fri. 8-5 EST.
